APPENDIX A OF THE NEW YORK CITY COMPTROLLER’S CONSENT DETERMINATION

The NYC Comptroller’s “Leave Regulations,” generally referred to as “Appendix A,” has been an appendix to Comptroller’s Consent Determinations for many years. The most recent determinations have been issued with the Appendix A actually attached, and have prompted the University Office of Labor Relations to distribute it as well to the CUNY colleges. It is important to bear in mind that specific determinations for various skilled trade titles may often supersede “Appendix A” with regard to pertinent leave provisions. Accordingly, it is essential that CUNY’s senior and community colleges review each specific determination pertaining to its skilled trade titles in order to determine the provisions that may be applicable to those titles.

Please see the attached “Appendix A” of the New York City Comptroller’s Consent Determination. The footnotes on the bottom of pages 2, 6, and 7, are CUNY specific interpretations of the provisions promulgated by the City of New York.

Should you have any questions, please contact CUNY’s Office of Classified Staff Labor Relations.
IN THE EVENT OF ANY INCONSISTENCY BETWEEN APPENDIX A AND REQUIREMENTS IMPOSED BY FEDERAL, STATE, OR LOCAL LAW, SUCH AS THOSE THAT APPLY TO MATERNITY LEAVE, THE FEDERAL, STATE, OR LOCAL LAW SHALL TAKE PRECEDENCE UNLESS SUCH FEDERAL, STATE, OR LOCAL LAW AUTHORIZES SUCH INCONSISTENCY.

APPENDIX A

Time and Leave Benefits:

1- ANNUAL LEAVE ALLOWANCE

Section 1

A combined vacation, personal business and religious holiday leave allowance, shall be established, which shall be known as "annual leave allowance".

Section 2 EFFECTIVE MAY 1, 1970

Annual leave allowance shall be granted to permanent employees who work at least a 250-day year, as follows:

<table>
<thead>
<tr>
<th>CATEGORY</th>
<th>ANNUAL LEAVE ALLOWANCE</th>
<th>MONTHLY ACCRUAL</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employees who have completed 15 years of service.</td>
<td>27 Work Days (5 weeks and 2 days)</td>
<td>2 - 1/4 days</td>
</tr>
<tr>
<td>Employees who have completed 8 years of service.</td>
<td>25 Work Days (5 weeks)</td>
<td>2 days, plus 1 day at end of vacation year.</td>
</tr>
<tr>
<td>All other employees</td>
<td>20 Work Days (4 weeks)</td>
<td>1 - 2/3 days</td>
</tr>
</tbody>
</table>

Section 3

There shall be a pro-rating of the above allowance for employees who work less than a 250-day year.

Section 4

For the earning of annual leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen’s Compensation payments shall be considered as time "served" by the employee.

In the calculation of annual leave credits, a full month’s credit shall be given to an
employee who has been in full pay status for at least 15 calendar days during that month, provided however, that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the annual leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period; and (b) if an employee loses annual leave credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the annual leave credits earnable in 1 month for each 30 days of such full pay status.

Section 5

Calculation of annual leave credits for vacation purposes shall be based on a year beginning May 1st, hereafter known as a "vacation year." All annual leave allowance of an employee to the employee’s credit on April 30th and not used in the succeeding vacation year may be carried over from said vacation year to the next succeeding vacation year only, with the approval of the agency head; and any such time not used within the prescribed period shall be added to the employee’s sick leave balance.

a. All annual leave accumulations to the credit of employees on May 1, 1961, which exceed the allowance permitted in Article I, Section 5, shall remain to their credit but shall be reduced to the maximum set by the Leave Regulations by May 1, 1970. This shall be accomplished in the following manner:

(1) Any accumulations in excess of 40 days shall be established as an annual leave reserve bank, which shall be in existence until May 1, 1970.

(2) Any time left in the annual leave reserve bank on May 1, 1970 shall be transferred to the sick leave balances of employees. If any such transfer causes an employee’s sick leave balance to rise above the 180-day maximum established by the Leave Regulations, the sick leave surplus which exceeds 180 days shall be placed in the employees sick leave bank and shall remain to his credit, notwithstanding the provisions of Article II, Sec. 2.

(3) After May 1, 1970, the full provisions of Article I, Section 5 apply.

b. In the event, however, that the Mayor or an elected official of any department calls upon an employee to forego his vacation or any part thereof in any year, that portion thereof shall be carried over as vacation even though the same exceeds the limits fixed in Article I, Sections 5 and 5 (a) above.

Section 6

The normal unit of charge against annual leave allowance for vacation and personal

* The annual leave year in CUNY is September 1 to August 31. Accordingly, "September 1st" should be substituted for "May 1st" and "August 31st" for "April 30th".
business shall be one-half day. Smaller units of charge are authorized for time lost due to tardiness, religious observance, and for the time lost by employee representatives duly designated by employee organizations operating under the Mayor’s Executive Order No. 38 dated May 16, 1957, engaged in the following types of union activity:

a. Attendance at union meetings or conventions.
b. Organizing and recruitment
c. Solicitation of member.
d. Collection of union dues.
e. Distribution of union pamphlets, circulars and other literature.

The agency is authorized to make such other exceptions as warranted.

Section 7

Earned annual leave allowance shall be taken by the employees at the time convenient to the department. In exceptional and unusual circumstances, an agency head may permit use of annual leave allowance before it is earned, not exceeding two weeks.

Section 8

Where certification of eligible lists permits, provisional and temporary employees shall have the same annual leave benefits as regular employees except that they may not be permitted to use annual leave allowances for other than religious holidays until they have completed four months of service.

Section 9

Penalties for unexcused tardiness may be imposed by the head of each agency in conformance with established rules of the agency. As a minimum, however, all unexcused tardiness both in the morning and upon return from lunch shall be charged to the annual leave allowance.

Section 10

Terminal Leave shall be allowed to employees who work at least 250 days per year at the rate of one month for every ten years of service, (a) the rates of which are fixed in accordance with a Comptroller’s determination made under Section 220 of the Labor Law of the State of New York, and (b) of service under the Career and Salary Plan Leave Regulations, prorated for a fractional part thereof.

If the employee so selects, and as an alternative to the above method of computation, his Terminal Leave allowance may be computed on the basis of one day of Terminal Leave for each two days of unused sick leave accumulation, to a maximum of one hundred (100) days Terminal
Leave Allowance. Under the latter option, Terminal Leave shall be computed on the basis of work days, rather than calendar days.

II. SICK LEAVE ALLOWANCE

Section 1

Sick leave allowance of one day per month of service shall be credited to permanent employees, provisional employees and temporary employees and shall be used only for personal illness of the employee.

Section 2

Sick leave allowance shall be cumulative up to a maximum of 200 work-days. After this maximum is reached, no more sick leave credits may be earned by the employee except to the extent of restoring credits subsequently drawn for sick leave and thereby building up accruals again to the maximum of 200 work-days. Existing balances to the credit of employees at the time of adoption of these regulations shall remain to their credit.

Section 3

Sick leave may be granted at the discretion of the agency head and proof of disability must be provided by the employee, satisfactory to the agency head. Presentation of a physician’s certificate in the prescribed form may be waived for absences up to and including three consecutive work days. In a case of a protracted disability, such certificate shall be presented to the agency head at the end of each month of continued absence.

Section 4

The normal unit for computation of sick leave shall be not less than one-half day. The agency head may authorize smaller units of charge in exceptional and unusual circumstances. Credits cannot be earned for the period an employee is on leave of absence without pay. For the earning of sick leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen’s Compensation payments shall be considered as time “served” by the employee.

In the calculation of sick leave credits, a full month’s credit shall be given to an employee who has been in full pay status for at least 15 calendar days during that month, provided however, that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the sick leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period, and (b) if an employee loses sick leave
credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the sick leave credits earnable in one month for each 30 days of such full pay status.

Section 5

In the discretion of the agency head, employees except provisional and temporary employees, who have exhausted all earned sick leave and annual leave balances due to personal illness may be permitted to use unearned sick leave allowance up to the amount earnable in one year of service, chargeable against future earned sick leave.

Section 6

At the discretion of the agency head, permanent employees may also be granted sick leave with pay for three months after ten years of City Service, after all credits have been used. In special instances, sick leave with pay may be further extended, with the approval of the agency head. The agency head shall be guided in this matter by the nature and extent of illness and the length and character of service.

III. OTHER AUTHORIZED ABSENCES WITH PAY

Section 1

Absence of permanent employees, provisional employees and temporary employees for the reasons indicated below, shall be excusable in the discretion of the agency head without charge to sick leave or annual leave balances, upon submittal of evidence satisfactory to the agency head:

a. Absence not to exceed four work-days in the case of death in the immediate family. Family shall be defined for this purpose as spouse; natural, foster, step-parent, child, brother or sister; father-in-law or mother-in-law; or any relative residing in the household.

b. For Jury Duty. Leave for jury duty shall be granted to the employee provided that he endorses his check for jury duty to the City.

c. For Court Attendance Under Subpoena or Court Order. Leave to attend court shall be granted when neither the employee nor anyone related to him has a personal interest in the case, and where said attendance at court is not related to any other employment of the employee.

d. Absence required because of Health Department ruling with respect to quarantine.
e. For attendance at New York City Civil Service examination, or for official investigation interview or appointment interview in relation to the resulting eligible list.*

f. For attendance of delegates and alternates at State or National conventions of veterans’ organizations and volunteer firemen’s organizations.

g. Absence by employee representatives, duly designated by employee organizations operating under the Mayor’s Executive Order No. 38 dated May 16, 1957, acting on matters related to the interests of employees of their own respective departments, to negotiate with and appear before departmental and other City officials and agencies including the Board of Estimate, the City Council, and the Department of Personnel.

Section 2

Prior notice to and authorization by the agency head or his designated representative is required for absence under (b), (c), (e), (f), and (g) of Section 1 above. The employee shall give notice to the agency as soon as possible in all other cases.

Section 3

Agency heads shall grant any leave of absence with pay required by law.

IV LEAVES OF ABSENCE WITHOUT PAY

Section 1

Maternity Leave. Existence of pregnancy shall be reported by the employee, in writing, to the head of agency not later than the completion of the fourth month of pregnancy. Maternity leave of absence, commencing not later than the completion of the fifth month of pregnancy, shall be granted for a period of twelve months, and upon application of the employee, may be extended by the agency head for an additional period, not to exceed six months. Total leave for this purpose shall not exceed 18 months. An employee on maternity leave may be required to report for physical examination before resuming service.

Section 2

Leaves of absence without pay for reasons not covered in the foregoing rules may be granted to permanent employees by the agency head not to exceed one year. Extension of such leave may be granted by an agency head not to exceed an additional period of one year. Further extensions may be granted by an elected official, in an agency headed by such official, or by the City Personnel Director for agencies headed by appointed officials.**

Section 4

Subject to limitations of Art. I, Sec. 8 above, the annual leave allowance and the sick leave allowance herein granted shall be applicable to part-time employees on a pro-rated basis.

VI. ABSENCE DUE TO INJURY INCURRED IN THE PERFORMANCE OF OFFICIAL DUTIES

Section 1

Whenever an employee, not covered by Workmen’s Compensation, is physically disabled in the performance of his official duties, the head of the agency is empowered to grant such employee a leave of absence with pay not to exceed one calendar year. In such case the employee shall be required to execute an agreement, wherein it is stipulated that, in the event that such employee makes any claim or institutes any action against any party whatsoever in relation to such disability, reimbursement in the amount of such pay shall be made to the City or the agency concerned, as the case may be, from the proceeds of the recovery by such

* For the purpose of this Section 2, the term *transfer* shall be limited to actual transfer between jurisdictions, pursuant to the CUNY Civil Service Rules and Regulations established November 30, 1989. Such transfer is limited to persons in a title identified by the Vice Chancellor for Faculty and Staff Relations as difficult to recruit. Section 2 does not generally apply, therefore, to persons appointed to CUNY following service in a NYC or NYC related agency.
employee but not to exceed the amount of such proceeds. Such agreement shall be in a form and manner prescribed by the Corporation Counsel or other duly empowered counsel. The Agency head may have the injured employee examined by a physician employed by the City in order to determine the extent of the employee’s disability and the approval of said physician from a medical viewpoint shall be required for the time granted with pay under this rule. The agency head may require periodic medical examinations of the disabled employee to ascertain the need for continued leave of absence with pay. Notwithstanding the provisions of Article I, Section 4 and Article II, Section 5 annual and sick leave shall accrue during the first six months only of such absence, and shall be credited upon the employee’s return to duty.

Section 2

The agency head is empowered to grant leave of absence with pay for the first week’s absence of an employee covered by Workmen’s Compensation who is physically disabled in the performance of official duties.

Section 3

a. An employee physically disabled in the performance of his official duties who has accrued sick and/or annual leave or has been advanced credits in accordance with the Comptroller’s Leave Regulations may elect one of the following, in addition to the benefits to which he is entitled under the Workmen’s Compensation Law, such election to be made within the first seven calendar days of absence by the employee or someone in his behalf:
