Certain drugs are excluded from this requirement. The PDL offers alternatives that are safe and effective equivalents to higher cost drugs. Medically necessary non-preferred brand-name drugs that are not on the PDL are covered, but at a higher cost to you and subject to the annual maximum.

Alphabetic order and therapeutic class order versions of the 2009 PDL are both available on the web site at www.cs.state.ny.us. Click on Benefit Programs, then NYSHIP Online and choose SEHP, if prompted. The lists are available under Health Benefits.

Prescription refills may be ordered by phone at the above number, or online by accessing the NYSHIP Online web site as directed above, selecting Find a Provider and scrolling down to the Empire Plan Prescription Drug Program web site link.

**Non-Network Pharmacy**

If you do not use an Empire Plan network pharmacy, you must submit a claim to the Prescription Drug Program. If your prescription was filled with a generic drug or a brand-name drug with no generic equivalent, you will be reimbursed up to the amount the program would reimburse a network pharmacy for that prescription. If your prescription was filled with a brand-name drug that has a generic equivalent, you will be reimbursed up to the amount the program would reimburse a network pharmacy for filling the prescription with that drug’s generic equivalent. In most cases, you will not be reimbursed the total amount you paid for the prescription.
