*System retention rates are calculated as the percentage who are still enrolled at any CUNY college in the subsequent fall term(s) and have not yet earned a degree. System graduation rates are calculated as the percentage earning a degree at any CUNY college any time prior to the start of the subsequent fall term(s). Students earning a degree, even if lower than that originally pursued, are counted for that degree and not as still enrolled, even if they are still enrolled in the subsequent fall term. Students who have earned both an associate and a baccalaureate degree within a given time period are counted for the baccalaureate degree only.
