SECTION II. SUMMARY OF THE REQUEST FOR PROPOSALS

A. Background and Objectives of the Project

The CUCF is issuing this RFP to identify qualified law firms (“selected law firms”) to enter into requirements contracts with CUCF to provide quality and cost effective services necessary and required for construction litigation, land use zoning review and appeals, and real estate transactions.

The prime objective of this procurement is to provide on-demand legal services in support of CUCF’s/CUNY’s capital construction program.

The selected law firms will provide legal services and support to, and at the direction of, the General Counsel of CUCF/CUNY, regarding construction litigation, public-private joint development issues, land use zoning review and appeals, and real estate acquisition, disposition, development and financing, including bond financing.

The contract will require that:

- Attorneys assigned by the selected law firms to perform services under the contract be members in good standing of the New York State Bar;
- The activities to be performed be in compliance with all applicable laws, rules and regulations and pursuant to the to the highest standard of legal ethics; and
- The selected law firms will be prohibited from engaging in the litigation of cases against CUCF/CUNY, or any other legal representation that is adverse to CUCF/CUNY or can be reasonably considered a conflict of interest during the term of the contract, except in exceptional circumstances and only with prior and specific written approval by the General Counsel.

B. Selection for Specific Assignments

Subsequent to contract execution, as the need arises, CUNY will identify those law firms eligible to compete for project specific assignments and send each such firm a written description of the assignment and the criteria that will be used for selection, such as, approach, staffing requirements and schedule. The firms will have an opportunity to submit a written response to the request, including a fee. The responses will be reviewed and evaluated according to the criteria, after which the firm that best meets the criteria will be selected for the assignment at a negotiated fee determined to be fair and reasonable. CUNY reserves the right to utilize other selection methods appropriate to specific assignments.

C. General Information:

CUNY is the largest municipal college system and the third largest University in the Nation. CUNY was founded in 1847 as the Free Academy. Within the five Boroughs of New York, CUNY is comprised of eleven (11) senior colleges, six (6) community colleges in addition to the School of Journalism, Honors College, CUNY Law School, CUNY School of Public Health and the Graduate Center. There are more than 28,000 instructional and non-instructional full-time and part-time employees at CUNY. CUNY has approximately 231,000 degree-credit students and 230,000 adult, continuing and professional students.
CUNY is comprised of more than 280 buildings on almost 23 million square feet of space, including state of the art computer centers, science laboratories, gymnasiums, greenhouses, astronomy observatories and more. The University’s total operating budget is funded primarily through New York State and New York City appropriations as well as student tuition and fees and a five year capital budget of $2.8 billion, funded by proceeds from the sale of bonds. The University’s fiscal year begins July 1.

D. **Contract Term**

The term of each contract shall commence on the date set forth in the written Notice to Proceed and shall continue until final acceptance of all required work for all assigned projects. The estimated term of each contract is three (3) years. The General Counsel will be responsible for implementing these contracts.

E. **Insurance**

The selected law firms must provide the types and amounts of insurance that will be specified in the contract and as may be required by law, including professional liability and workers compensation insurance. The cost of all insurance necessary for the selected law firms is deemed included in the all inclusive hourly rates(s).

F. **Payment Provisions**

Payments for all required legal services for each assignment shall be in accordance with the all inclusive hourly rate(s) or other compensation agreed upon as a result of the fee negotiation conducted as a part of the selection process for that assignment.
SECTION III. SCOPE OF WORK AND CONTRACT CONDITIONS

A. **Scope of Services**

The selected law firms will represent CUCF/CUNY in construction litigation and will advise CUCF/CUNY on construction related matters. CUCF/CUNY is currently involved in the design, construction and development of many projects and sometimes requires outside counsel to represent it in potential litigation and all phases of litigation arising out of these projects. The services for which representation and advice may be sought include but are not limited to the following: competitive bidding and other procurement issues; contract terminations; claims by and against contractors and design professionals; claims by and against sureties; prevailing wage requirements; project labor agreements; construction labor disputes; contract review; liens; dispute resolution; environmental issues; negligence; insurance; creditor’s rights; bankruptcy; and personal injury. While it is expected that most of CUCF’s/CUNY’s litigation involves the defense of claims or lawsuits, CUCF/CUNY may also require counsel to institute actions on its behalf against either contractors or design professionals and may also use such outside counsel to undertake a comprehensive review of CUCF’s/CUNY’s standard construction, design and development documents.

The selected law firms will act as counsel to and advise CUCF/CUNY in a variety of real estate and environmental matters. Areas where representation and advice may be sought include real property transactions through purchasing, leasing or other means of acquisition, mortgages and other liens, sale-leasebacks, condominium and time share arrangements, public-private partnership projects with attendant financing, joint venture and multi-party transactional structures, all types of contractual arrangements (including construction and architectural contracts), eminent domain proceedings, zoning, Historic Preservation, State Environmental Quality Review Act, Uniform Land Use Review Procedures of the City of New York, and other land use requirements. As needed, firms may be required to represent CUCF/CUNY before the appropriate review boards, councils, municipal departments and other governmental bodies. In the event that any of CUCF’s/CUNY’s determinations or actions is subject to litigation, the selected law firms may be requested to represent CUCF/CUNY.

B. **Contract Provisions**

The services to be provided by the selected law firms and the general standards of performance applicable to the required work will be described in the final form of the contract.

C. **Legal Services Work**

Following a selection process for specific assignments, the selected law firm will be required to provide all services necessary and required for the duration of each specific assignment. The legal services to be provided may differ for each assignment, as more fully described above. As appropriate, the selected law firms shall be responsible for completing each assignment in a specified time frame.

SECTION V. PROPOSAL EVALUATION AND CONTRACT AWARD PROCEDURES

This is a quality based selection project. CUCF will rank proposals by technical merit, and negotiate a fair and reasonable price with the highest ranked Proposers. It is anticipated that contracts will be awarded to four (4) firms.

A. Selection Process

1. Selection Process: An evaluation committee will review, evaluate, score and rank all responsive Proposals in accordance with the evaluation criteria described below. Based on this evaluation, it is anticipated that the eight (8) highest ranked firms will be invited for presentations and interviews at which time each will be given a limited amount of time to further describe their experience and qualifications, and to answer questions. At the conclusion of such presentations and interviews the evaluation committee will finalize its evaluations. The evaluation committee will then authorize fee and contract negotiations to commence with the highest ranked firms, anticipated to number four (4). Should fee and contract negotiations fail to be finalized within a reasonable period of time, CUCF will terminate those negotiations and initiate fee and contract negotiations with the next highest ranked firm, and so on.

2. Evaluation Criteria: The Evaluation Criteria are as follows:

   a. Relevant Experience of the Firm (Weight 40%)
   b. Relevant Experience of the Proposed Staff (Weight 40%)
   c. How the Firm will Monitor the Assignment and Performance of Work (Weight 20%)

B. Contract Award Procedures

1. Basis of Award: CUCF will award the contracts to the responsive and responsible Proposers whose Proposals are determined to be the highest quality and most advantageous to CUCF/CUNY, taking into consideration the overall quality of the Proposal as measured against the Evaluation Criteria set forth in this RFP and successful negotiation of a fair and reasonable fee. The Fee Proposals will be the basis of negotiating compensation which CUCF determines to be fair and reasonable. Such fee negotiations will commence upon written notification and should conclude within thirty days.

2. Contract Finalization: Upon the successful conclusion of fee negotiations, the successful Proposers will be asked to timely finalize a contract with the CUCF subject to the conditions specified in this RFP and CUCF’s standard contract provisions. The contents of the Proposal, together with this RFP and any Addenda issued during the RFP process, may be incorporated into the final contract.
SECTION VI. GENERAL INFORMATION FOR PROPOSERS

This policy applies to any contract resulting from this RFP.

A. The contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, sexual orientation, age, disability, or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members including, without limitation, women, are afforded equal opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignments, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training. The contractor will agree to post, in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this non-discrimination provision.

B. At the request of the CUCF or CUNY, the contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the authority to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, sexual orientation, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder.

C. The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract with the CUCF, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, sexual orientation, age, disability or marital status.
D. The contractor will include the provisions of paragraphs A through C of this section in every sub-contract or purchase order in such a manner that such provisions will be binding upon each sub-contractor or vendor as to its work in connection with the contract with the CUCF.
