1. SCOPE AND REQUIREMENTS

The City University Construction Fund ("CUCF"), on behalf of the City University of New York ("CUNY"), is seeking a qualified development partner to renovate and manage one or more existing buildings to serve as student residences for three CUNY Colleges located in Manhattan: John Jay College of Criminal Justice, Hunter College and Baruch College (the "Colleges"). (See Attachment 1 for College locations.) Proposals to lease or purchase a facility will be considered by CUCF, provided that each proposed building must have capacity for at least 150 beds. CUCF, a public benefit corporation created to provide facilities for and support the education purposes of CUNY, reserves the right to assign its rights and obligations referred to throughout this Solicitation to an affiliated entity. All references in this Solicitation to CUCF or CUNY shall be deemed to include both of these entities and any existing or to-be-formed affiliated or successor entities, individually and collectively as the context shall require.

Each party submitting a Response to this Solicitation is referred to herein as a "Responder." CUCF may engage in competitive negotiations with one or more Responders whose Response supports early completion dates, convenient site location and accessibility to public transportation, affordable room rates and other project characteristics described or referenced herein. CUCF reserves the right to select more than one Responder should CUNY desire to develop more than one project or accommodate the Colleges’ needs across multiple sites, provided that each proposed site must be able to accommodate a minimum of 150 beds. It is anticipated that a successful Responder would team with an experienced student housing operator who will provide management for the ongoing operations of the facility.

CUNY has conducted a market study which defines the requirements and preferences of the Colleges, attached hereto as Appendix E. Responders should also refer to the following websites for details on CUNY’s recently built student housing facilities, including 2010-2011 rental rates:

The Summit at Queens College- http://www.thesummitatqc.com/

Indicate the address and cost of each project. Please also describe the team’s architectural and engineering experience, experience with securing financing for comparable projects, and experience with student housing operations.

2. Describe the proposed project, particularly with regard to the project characteristics described or referenced herein. The following information is required: proposed uses and mix of units, rendering and/or proposed floor plans, timeline to completion, and operator/management information. (**No more than five (5) pages**).

Any facility proposed by a Responder must meet CUNY’s energy efficiency criteria based on the State of New York’s Executive Order 111, New York City Local Law 86 and, at a minimum meet LEED Standards.

There will be a Selection Committee expected to consist of staff from CUNY. The parties to the attached Contract, license, lease, amendment or other agreement of any kind (hereinafter, "the Contract" or "this Contract") agree to be bound by the following clauses which are hereby made a part of the Contract (the word "Developer" herein refers to any party other than CUCF or the State, whether a Developer, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State or CUCF shall have no liability under this Contract to the Developer or to anyone else beyond funds appropriated and available for this Contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this Contract may not be assigned by the Developer or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of CUCF and the State and any attempts to assign the Contract without CUNY and the State's written consent are null and void. The Developer may, however, assign its right to receive payment without such consent unless this Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Article XI of the State Finance Law and Section 112 of the State Finance Law and Section 6218 of the Education Law, (a) if The City University of New York is a party to this Contract, and (b) if this Contract exceeds $15,000 ($20,000 for certain contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this Contract, the State agrees to give something other than money, when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this Contract shall be void and of no force and effect unless the Developer shall provide and maintain coverage during the life of this Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Developer will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a Contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Contract shall be performed within the State of New York, Developer agrees that neither it nor its SubDevelopers shall, by reason of race, creed, color, disability, sex or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. hired for the performance of work under this Contract. Developer is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. **WAGE AND HOURS PROVISIONS.** If this is a public works contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Developer's employees nor the employees of its SubDevelopers may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Developer and its SubDevelopers shall pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

7. **NON-COLLUSIVE BIDDING REQUIREMENT.** In accordance with Section 139-d of the State Finance Law, if this Contract was awarded based upon the submission of bids, Developer warrants, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Developer further warrants that, at the time Developer submitted its bid, an authorized and responsible person executed and delivered to CUCF a non-collusive bidding certification on Developer's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this Contract exceeds $5,000, the Developer agrees, as a material condition of the Contract, that neither the Developer nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the Federal Export Administration Act of 1979 (50 USCA Section 2401 et seq.) or regulations thereunder. If such Developer, or any of the aforesaid affiliates of Developer, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Developer shall so notify CUCF and the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR 105.4).

9. **SET-OFF RIGHTS.** CUCF and the State shall have all of their common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, CUNY and the State's option to withhold for the purposes of set-off any moneys due to the Developer under this Contract up to any amounts due and owing to CUCF and the State with regard to this Contract, any other contract with CUCF or any State department or agency, including any contract for a term commencing prior to the term of this Contract, plus any amounts due and owing to the State from the Developer for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. CUCF and the State shall exercise their set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by CUCF, its representatives, or the State Comptroller.

10. **RECORDS.** The Developer shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this Contract (hereinafter, collectively, "the Records"). The Records shall be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as CUCF, shall have access to the Records during normal business hours at an office of the Developer within the State of New York or, if no such office is available, at a mutually
agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State and CUNY shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (a) the Developer shall timely inform an appropriate CUCF or State official, in writing, that said Records should not be disclosed; and (b) said Records shall be sufficiently identified; and (c) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect CUCF's or the State's right to discovery in any pending or future litigation.

All invoices or New York State standard vouchers submitted for payment for the sale of goods or services or the lease of real or personal property to a New York State agency shall include the payee's identification number, i.e., the Developer's, seller's or lessor's identification number. The number is either the payee's Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Where the payee does not have such number or numbers, the payee, on his invoice or New York State standard voucher, shall give the reason or reasons why the payee does not have such number or numbers.

b) Privacy Notification.

i) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or who may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.

ii) The personal information is requested by CUCF. The information is maintained in New York State's Central Accounting System by the Director of State Accounts, Office of the State Comptroller, AESOB, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law, if this Contract is: a) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or b) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or c) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then:

a) the Developer will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and
will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination and rates of pay or other forms of compensation;

b) at the request of the contracting agency, the Developer shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Developer's obligations herein; and

c) the Developer shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Developer will include the provisions of "a," "b" and "c" above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Developer. Section 312 does not apply to: a) work, goods or services unrelated to this Contract; or b) employment outside New York State; or c) banking services, insurance policies or the sale of securities. The State shall consider compliance by a Developer or Sub-Developer with the requirements of any Federal law concerning equal employment opportunity that effectuates the purpose of this section. CUCF shall determine whether the imposition of the requirements of the provisions hereof duplicates or conflicts with any such Federal law and if such duplication or conflict exists, CUCF shall waive the applicability of Section 312 to the extent of such duplication or conflict. Developer will comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.
