Job Title: **Cooperating Math Teacher** in the CUNY Start program

Multiple positions at various locations within The City University of New York

The CUNY Start Program is an intensive program for incoming college students, both high school and GED graduates, who need to increase their proficiency in academic reading/writing and math before starting credit classes at CUNY.

The Cooperating Math Teacher position is a paid training opportunity to learn and use a successful, innovative, student-centered approach and curriculum with CUNY students who have significant remedial math needs. The Cooperating Math Teacher serves as an apprentice to a Lead Math Teacher, learning and supporting the work of that teacher.

Cooperating Math Teachers may be eligible to apply for full-time teacher positions at several CUNY campuses in Fall 2012. Only teachers who have completed a semester as a Cooperating Math Teacher will be considered for a full-time Math Teacher position.

**Responsibilities:**

- Study detailed lesson plans thoroughly in advance of classes.
- Observe classes and assist the Lead Teacher in working with students at primary campus.
- Observe and assist in CUNY Start math classes at other CUNY campuses.
- Lead an increasing number of classroom activities over the course of the training semester.
- Tutor students outside of class time at one or more campuses.
- Attend and participate in regular professional development meetings.
- Assist in student conferences, orientation, evaluating portfolios, testing, and recruitment.
- Participate in team meetings with advisor and teachers.
- Other related duties as required.

**Requirements:**

- Must be open to implementing a set curriculum and pedagogical approach that builds students’ conceptual understanding of mathematics beyond their knowledge of procedures.
- Teaching experience in adult education and/or developmental skills preferred.
- Experience working with diverse, urban populations strongly preferred.
- Must be able to receive and incorporate feedback.
- Must be able to travel to multiple CUNY campuses.
- Bachelors Degree minimum.
Employment:

- Appointment for a total of 530 hours, approximately 25 hours per week
- $33.18 per hour, plus health benefits
- Appointment period: January/February – June/July 2012 (6-month appointment)

To apply, submit a cover letter and resume to Annie Balocating atannie.balocating@mail.cuny.edu, with “Cooperating Math Teacher” in the subject of your email. In addition, please submit a copy of a math lesson plan that reveals some element of your teaching and learning values.
