Visit the CUNY TIPPS website for the most up-to-date list of academic programs for transfer applicants. Find information on CUNY college courses, course equivalencies and program policies. For more information, visit www.tipps.cuny.edu.

The Admission Review Process
As a transfer applicant, your admission application will be evaluated based on an individual review of your academic record that includes all attempted and completed courses and grades earned and essays/personal statements and letters of recommendation. Applicants to our four-year colleges must have completed at least one 3 credit college-level course in mathematics and English with a grade of “C” or better or must demonstrate college-level readiness based on SAT, ACT or New York Regents test scores.

Your entire coursework history, including grades earned from courses taken more than once, will be used to determine a grade point average (GPA). If more than one college was attended, your GPA will be determined through a combined calculation of all attempted coursework. Your high school/secondary school record will be considered if you have completed fewer than 30 college credits.

Please review the Transfer Admission Profile (available at www.cuny.edu/prepare) to get an idea of the mean GPA used for admission by each college.

CUNY Community College Graduates
If you have graduated or will graduate from a CUNY community college and would like to apply to a CUNY four-year college, you must complete a Transfer Admission Application. Admission to a CUNY four-year college is guaranteed, although not necessarily to your first choice program or college, if you meet the following conditions:
