**The Admission Review Process**

As a transfer applicant, your admission application will be evaluated based on an individual review of your academic record that includes all attempted and completed courses and grades earned. Applicants to our four-year colleges must have completed at least one college-level course in mathematics and English with a grade of “C” or better.

Your entire coursework history, including grades earned from courses taken more than once, will be used to determine a grade point average (GPA). If more than one college was attended, your GPA will be determined through a combined calculation of all attempted coursework. Please note that plus (+) and minus (-) additions to grades are not reflected in the GPA. Your high school/secondary school record will be considered if you have completed fewer than 30 college credits.

Please review the Transfer Admission Profile (available at www.cuny.edu/prepare) to get an idea of the mean GPA used for admission by each college.

**CUNY Community College Graduates**

If you have graduated or will graduate from a CUNY community college and would like to apply to a CUNY four-year college, you must complete a Transfer Admission Application. Admission to a CUNY four-year college is guaranteed, although not necessarily to your first choice program or college, if you meet the following conditions:

- you have earned an AA, AS or AAS degree
- you have completed at least one college-level course in mathematics and English with a grade of “C” or better.

**Note:**

CUNY AA and AS degree-holders are guaranteed at least 60 credits toward a 120-credit bachelor’s degree.

---

**Readmission of Former CUNY Students**

If you are applying to a CUNY college that you have previously attended, do not complete a Transfer Admission Application. Please contact the Registrar’s Office at the college for readmission information.

---

**Evaluation of Transfer Credit**

The individual college and program will complete a transfer credit evaluation after admission.

---

**Prepare to Apply**

Review and complete the worksheet by filling in all blank fields and writing down notes to help you accurately complete your application. Go to page 3 of this worksheet to find out what is needed after you have applied to CUNY.

**General Transfer Applicants**

Apply online to up to four CUNY colleges with one application and one non-refundable application-processing fee. Please be sure to list your college choices in order of preference, as you will only hear back from one college choice.

**Supplemental paper applications**

Transfer programs such as the PA Program at the Sophie Davis School of Biomedical Education and the CUNY BA/BS for Unique and Interdisciplinary Studies require a supplemental paper application in addition to the online admission application.
